MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: US Army NATO Brigade (USANATO) Policy Letter #16, Army Physical Fitness Test (APFT) Awards

1. Physical Fitness, as measured by the Army Physical Fitness Test (APFT), is an important part of every Soldier's overall performance and this Command's training program. I have established a Brigade goal of 250 points on the APFT, and want to ensure that Soldiers who meet or exceed this goal are recognized for their efforts. Until further notice, the following policy is established:

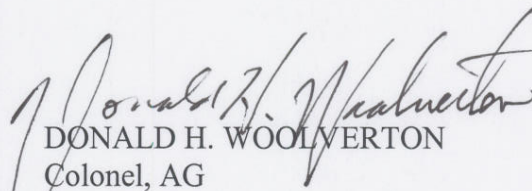

a. Soldiers who score 270-300 points (90 points in each event) on their Army Physical Fitness Test will receive:

- (1) Brigade Certificate of Achievement, to be awarded at an appropriate ceremony.
- (2) Award of the PT badge for first time achievers.

b. Soldiers who score 260 and above points on their Army Physical Fitness Test will receive a congratulatory letter from the Battalion Commander.

c. Special pass incentives. Any Soldier who scores 300 or above on the APFT will receive a 4-day pass.

2. Commanders will submit a Memorandum for Record stating the individual's PT score.
